

Business Operations Series—6000

### **COLLEGE BOOKSTORE**

Chemeketa Community College shall provide for a college bookstore to have available supplies and services to students and employees. It should be managed on a financially self-sustaining basis. The college bookstore is responsible for collecting and disseminating information regarding textbooks and other course materials. The bookstore shall make textbooks and course materials available throughout the district and for distance education through a physical presence on the Salem and Yamhill Valley campuses and an e-commerce site.
