Step 3: Registration

Chemeketa's Single Sign-on Portal

1. **First time user:** In order to complete **Step 3: Registration** you will need to have:

- Welcome Email containing your **K number & username**
- Chemeketa Account Email containing your **temporary password**

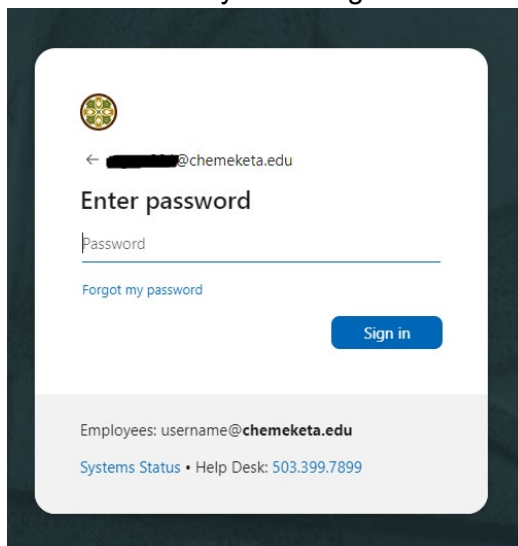

You will visit my.chemeketa.edu and enter your username followed by @my.chemeketa.edu and then click on the **NEXT** button.

The screenshot shows the 'Sign in' page of the Chemeketa Single Sign-on Portal. At the top left is the Chemeketa logo. Below it, the text 'Sign in' is displayed. A text input field is labeled 'Chemeketa email address'. Below the input field is a link that says 'Can't access your account?'. At the bottom of the input area are two buttons: 'Back' (disabled) and 'Next' (active). Below the input area, there is a footer section with the following text: 'Students: username@my.chemeketa.edu', 'Employees: username@chemeketa.edu', and 'Systems Status • Help Desk: 503.399.7899'.

In the following screen, you will enter your temporary password and be routed to immediately change your password to something that only you know. Your new password:

- Must be at least 12 characters in length
- Must contain a combination of uppercase & lowercase letter and numbers
- Cannot match your current password
- Cannot contain your first or last name, email address, username, or K number
- Will be compared to an exclusion list to improve the security of your account
- Can only be changed once in a 24-hour period

The screenshot shows the 'Enter password' page of the Chemeketa Single Sign-on Portal. At the top left is the Chemeketa logo. Below it, there is a back arrow and a partially redacted email address ending in '@chemeketa.edu'. The text 'Enter password' is displayed. Below it is a text input field labeled 'Password'. Below the input field is a link that says 'Forgot my password?'. At the bottom of the input area is a 'Sign in' button. Below the input area, there is a footer section with the following text: 'Employees: username@chemeketa.edu' and 'Systems Status • Help Desk: 503.399.7899'.

You'll also need to set up multi-factor authentication on your account (which is a security requirement at Chemeketa). You have 14 days to do that, but we recommend doing it right away so it doesn't slow you down later.

If you are having issues claiming your account, please be sure to have your K number ready and call our IT helpdesk at 503.399.7899. They will be able to assist you!

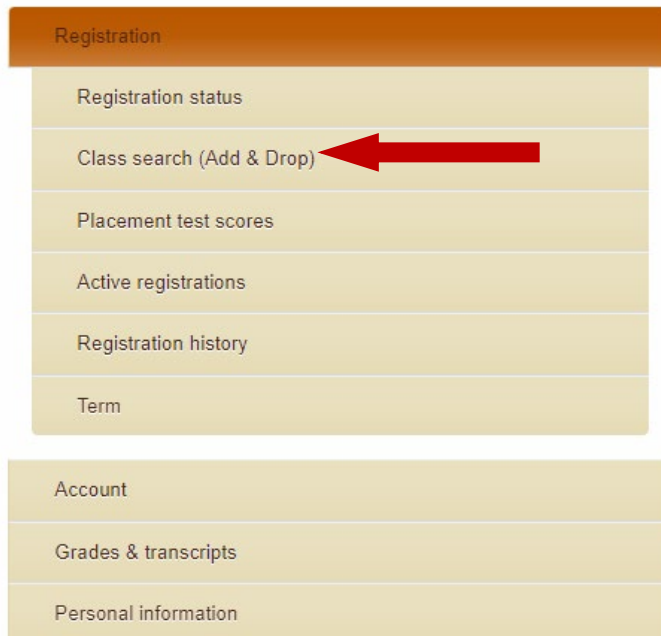

Returning user: Visit my.chemeketa.edu and enter your Chemeketa email address (username followed by @my.chemeketa.edu) and password in the appropriate fields.

2. After signing in, you'll be taken to "My Chemeketa", which is the college's student portal, where you will see the home screen below.

The column off to the right will be how you will navigate to complete the registration piece.
