

**Transfer Guide for: Pacific University-Woodburn Bachelor of Education in Teaching & English Language Learning
Elementary Multiple Subjects Endorsement**

Transfer Overview: The Bachelor of Education in Teaching and English Language Learning program prepares teacher candidates through community and clinical based practice to be successful teachers, leaders, and advocates. 100 quarter credits/67 semester credits of transfer coursework are required for the degree. Prior to formal enrollment into the B.Ed. program, students must have completed an AAOT degree OR at least 75% of the coursework listed below. Students may co-enroll in remaining transfer courses after admission to the B.Ed. program. Applicant transcripts are evaluated on a case-by-case basis, and an academic plan is created for each applicant. Substitutions to the transfer plans outlined below may be made by the B.Ed. coordinator to accommodate variances in community college courses and individual student backgrounds.
