

CHEMEKETA COMMUNITY COLEGE

WILLAMETTE PROMISE – Oregon Institute of Technology

2020-2021

Chemeketa Community College grants college credit on the basis of satisfactory grades received on Willamette Promise courses. In most cases, credit will only be awarded based on a grade of C or higher unless the student is seeking a degree or certificate that allows a D grade.

Willamette Promise credit is recorded as a “PB” on student transcripts. The following are Chemeketa course equivalencies for Willamette Promise Course offerings:

Willamette Promise Course	Chemeketa Course	Credits
Biology 103	BI LAB	3
Biology 200	HM 1XX	2
Biology 109	AH 1XX	2
History 201	HST 201	3
History 202	HST 202	3
History 203	HST 203	3
Math 251	MTH 251	4
Math 252	MTH 252	4

All institutions have different transfer credit guidelines for accepting courses. If you plan to transfer your Willamette Promise credits to another institution, you will want to contact them for information about how they will accept the courses. Students transferring Willamette Promise credits to another college will have to submit an official Oregon Institute of Technology transcript directly to the college which they plan to transfer.

Students, upon applying for admission and being admitted to Chemeketa, should submit their official Willamette Promise transcript from Oregon Institute of Technology to the office of Graduation Services.
